Quality Dahlias

F. V. R. VEIRS & SONS,

718 Linwood Ave. S. W.

Canton, Ohio

We take this space to thank our many friends for their continued patronage and the encouraging things they have said and written to us. Space permits quoting only a few.

From one of the best growers and originators in the east. Two of his originations appear in our list.

"I have confidence in you and your roots."

Another real grower whose word is his bond. "The roots I just received from you are the best I have gotten this year".

An Ohio fan: "I bought beter than \$75.00 worth of roots and plants from you last season. They were the best I ever grew. You get my whole order again this season."
